**KATELYN
COMMERFORD**
Doula & NBAC Guide

These are some example services I offer in addition to my postpartum, birth, and NBAC mentoring packages.

postpartum gift session

one 3hr postpartum support visit as a baby shower or mother blessing gift

\$300

birth mapping

three hours of birth mapping consultations, usually broken into two separate 90min consultations, held virtually (in person available on request, travel costs apply)

\$250

mother blessings

facilitating your mother blessing, including a prep session with you (additional catering fees may apply)

\$350

one-off consults

for whatever you need! to bolster your confidence, help you with planning for your antenatal appointments, tips and tricks for labour - whatever support you are looking for within this 90 min consultation, includes two weeks of email support following

\$95

I believe in being very transparent about my pricing, and I am more than happy to discuss it in detail and make adjustments to the inclusions to suit individual needs wherever possible, including budgets.

Please let me know how I can help you be supported in your journey.
